SUBJECT : Quarterly Report on Records Purge: Jan. - Mar. 1969

REFERENCE: DDC&T-4299-68

1. Amount of records destroyed during reporting period: 19 feet of material destroyed at the Records Center. Records shelf list for this material reviewed at FMSAC and determined it could be destroyed.

2. Adoption of new procedures: The amount of Telemetry Analogs now being sent to the Records Center will be reduced significantly over the next several months as SAD/FMSAC is reducing all but a few categories it now receives from NSA.
